Date: _____

Period: _____

Lesson 3 – Worksheet
The Number Line

1.) Fill in the number line below. Then use it to show that

$$3 + 5 = 8$$

2.) Fill in the number line below. Then use it to show that

$$-3 + 5 = 2$$

3.) Fill in the number line below. Then use it to show that

$$-6 + 4 = -2$$

4.) Fill in the number line below. Then use it to show that

$$-10 + 7 = -3$$

5.) Fill in the number line below. Then use it to show that

$$-4 + 4 = 0$$

6.) (5 points) Solve the problems below (try without a physical number line, but think of it in your head as you're solving the problems):

a.) $-17 + 22 =$

b.) $-45 + 25 =$

c.) $-107 + 8 =$

d.) $-1106 + 1176 =$

e.) $-1001 + 5729 =$
